

# Network Camera-V5.7.18 Release Note-G5

## (2024-09-24)

Firmware Basic Information	Firmware version:	V5.7.18 build240924
----------------------------	-------------------	---------------------

## New Features

1. PTRZ product shading hood motor motion logic optimization:

1) After the movement in the P and T directions comes to a complete stop, the sunshade motor lifts the ball cover on top again. When starting to move, the sunshade motor will retract first, and only then will the movement in the P and T directions begin.

2) At the end of the previous movement of P and T directions, when the sunshade motor is not lifted (time interval of 4-5 seconds), the P-direction or T-direction key control operation is clicked, the sunshade motor will not lift, P-direction or T-direction will move.

2. Support R-direction speed adjustment.

## Modify Function

1. Adjustment of movement step size compatibility to solve the problem of focusing failure of some G5 platform Y6F lens cameras.

2. Fixed the issue of parameter error in web 5.0 activation boot configuration.

3. Fixed the issue of periodic loss of motion detection alarms caused by a bug when enable smart light which has a blocking alarm logic.

4. The default duration time of intrusion changed from 5 seconds to 0 second.

5. Perimeter upgrade with 128MB flash storage optimization

## Customer Impact and Recommended Action

This update refers to function/compatibility improvement and will take effect automatically after the Date of Change. We are very sorry for any inconvenience of use-habit changes caused by this action.

For any questions and request for this firmware, please contact our local technical support team.

## **Remarks:**

- Hikvision reserves the right to change, alter or withdraw the above notification without prior notice.
- Product design and specifications are subject to change without prior notice.
- The Hikvision firmware may contain errors known as errata which may cause the product to deviate from published specifications. Current characterized errata are available on request.
- Hikvision is not liable for any typing or printing errors.
